

Grade 6 Mini Fair Fundraiser

Dear Parents/Guardians,

Grade 6 are holding a Mini Fair on Monday 12th December to raise money for their Graduation and to add to the funds raised for the Cancer Council. At the fair there will be stalls, including hair chalk and face painting. If your child would like the opportunity to have their face painted or hair coloured they will need parental permission. Thank you for supporting the senior school's project on working as a community and developing the students' financial literacy on how to manage a budget.

Regards,

Sharon Lomas and Sean Golden

I give _____ permission to have their face painted/ hair chalked.
