Last week OSH got very creative with our sun-catcher art activity! We used various art materials and paper plates to create them. Once they were finished we cut a hole in the top and threaded through some string so we could take them home and hang them in the summer sun! look at us having fun, hard at work!

OSHClub, OzHarvest and the local community would like to say thanks once again to all of you that helped out and/or donated to our OSH Holiday Food Drive! We are blown away at how excited and involved our OSH members were during this donation activity. We are so happy to know that all the amazing food donations from our OSH community will be going to families in need during this time of year! It is so special that we have been able to help them!
